

PERFORMANCE AUDIT REPORT

„ENERGY EFFICIENCY IN THE INSTITUTIONS OF BOSNIA AND HERZEGOVINA“

WHY A PERFORMANCE AUDIT ON ENERGY EFFICIENCY?

AROUND 18 MILLION BAM

The Institutions of BiH spend annually on energy for their facilities.

The media emphasize that public buildings in BiH consume **THREE TIMES MORE** energy than those in the European Union. The Energy Community points out that BiH has only just **BEGUN TAKING STEPS** toward improving the energy efficiency of public buildings.

PERFORMANCE AUDIT REPORT

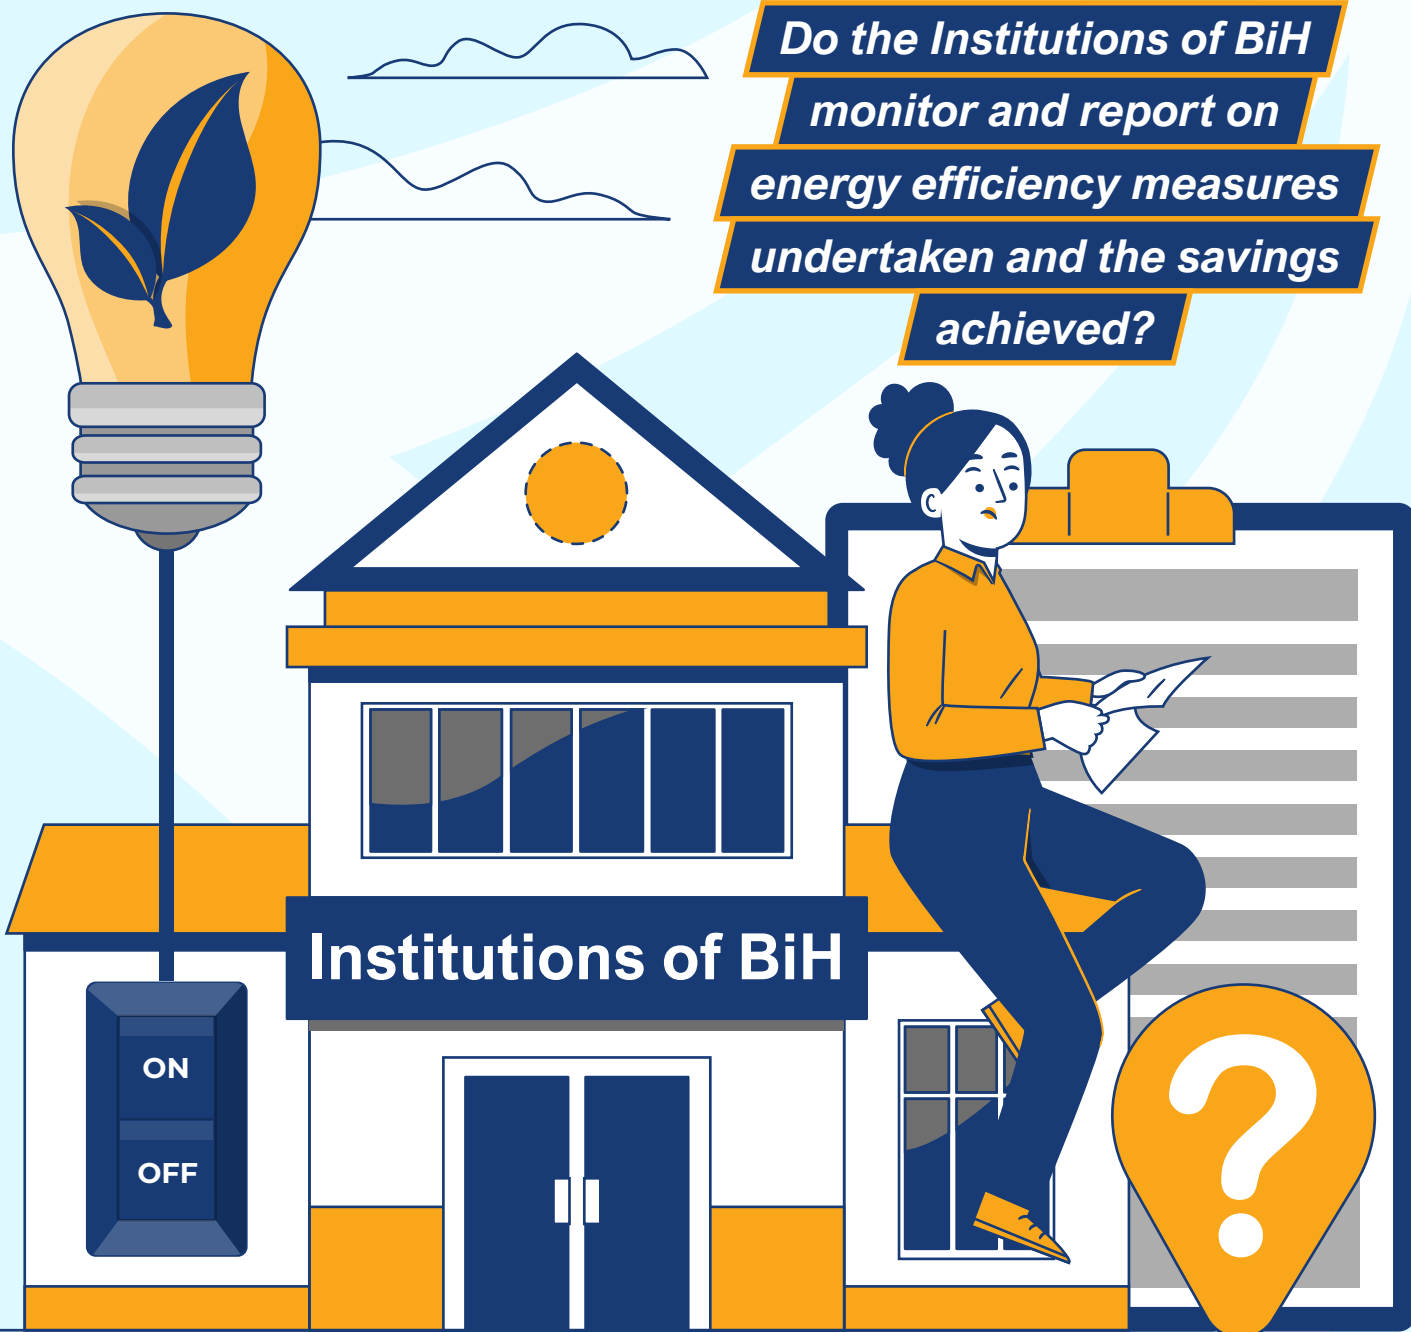

„ENERGY EFFICIENCY IN THE INSTITUTIONS OF BOSNIA AND HERZEGOVINA“

WHAT WE LOOKED AT?

Have comprehensive records of energy consumption been established for the buildings used by the Institutions of BiH?

Has a comprehensive and planned approach been ensured for improving energy efficiency in the Institutions of BiH?

Do the Institutions of BiH monitor and report on energy efficiency measures undertaken and the savings achieved?

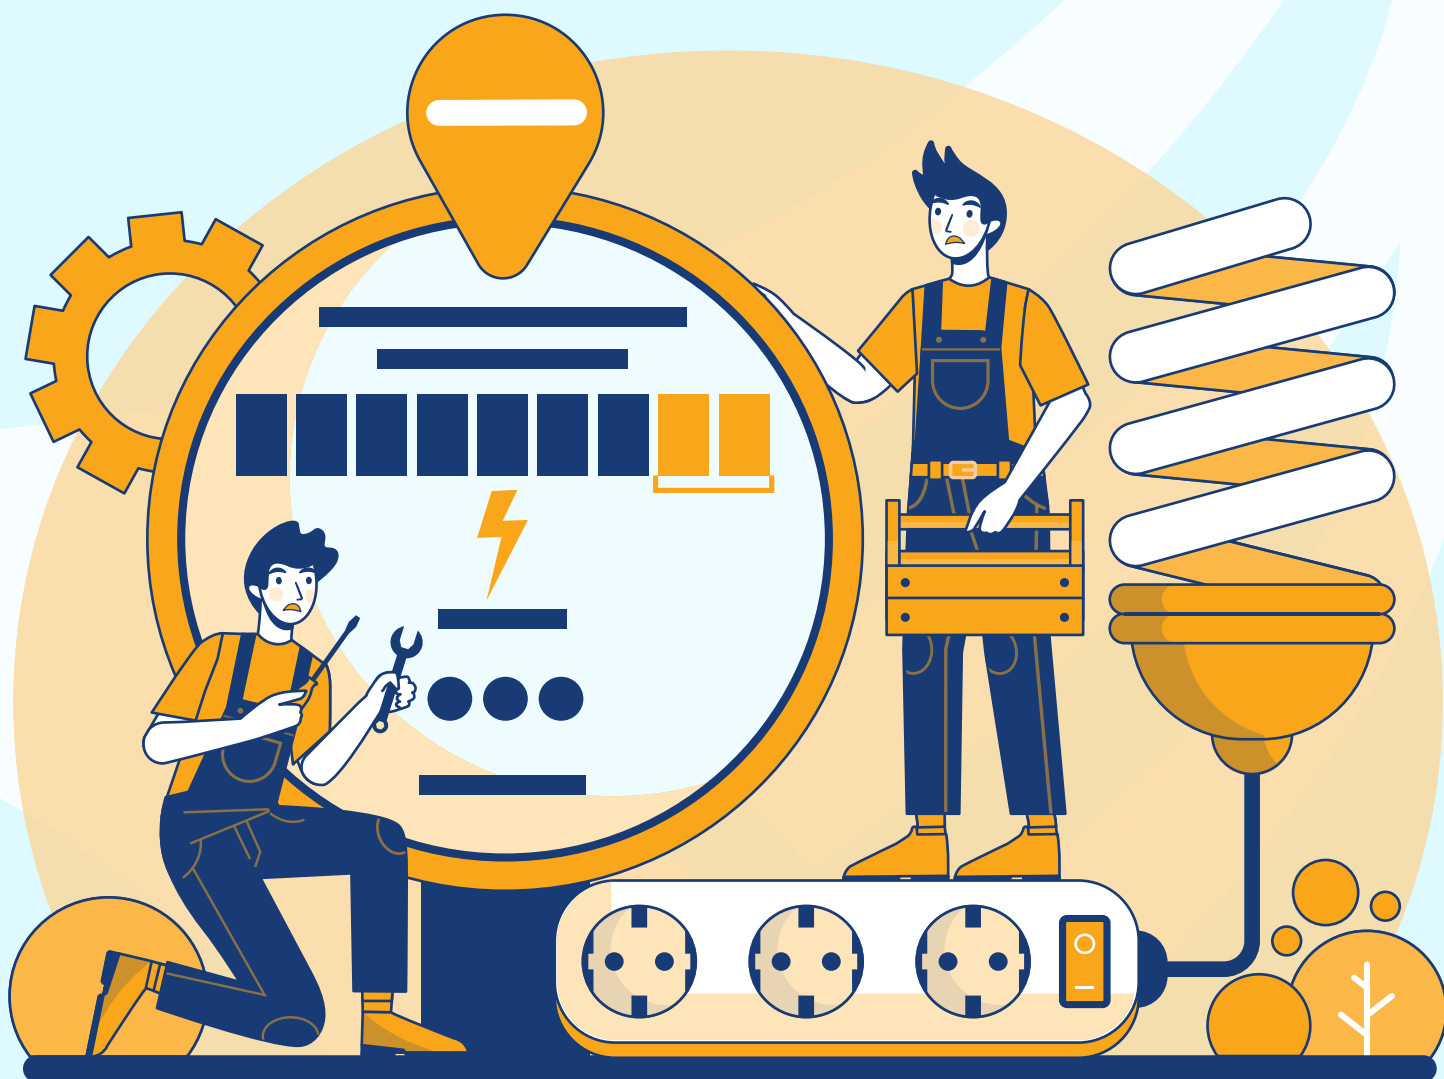

PERFORMANCE AUDIT REPORT

„ENERGY EFFICIENCY IN THE INSTITUTIONS OF BOSNIA AND HERZEGOVINA“

WHAT WE FOUND?

Up-to-date records of the buildings of the Institutions of BiH and their energy consumption have not been established.

A comprehensive energy efficiency plan for the buildings of the Institutions of BiH has not been ensured.

A mechanism for regular reporting on energy consumption and undertaken measures has not been established.

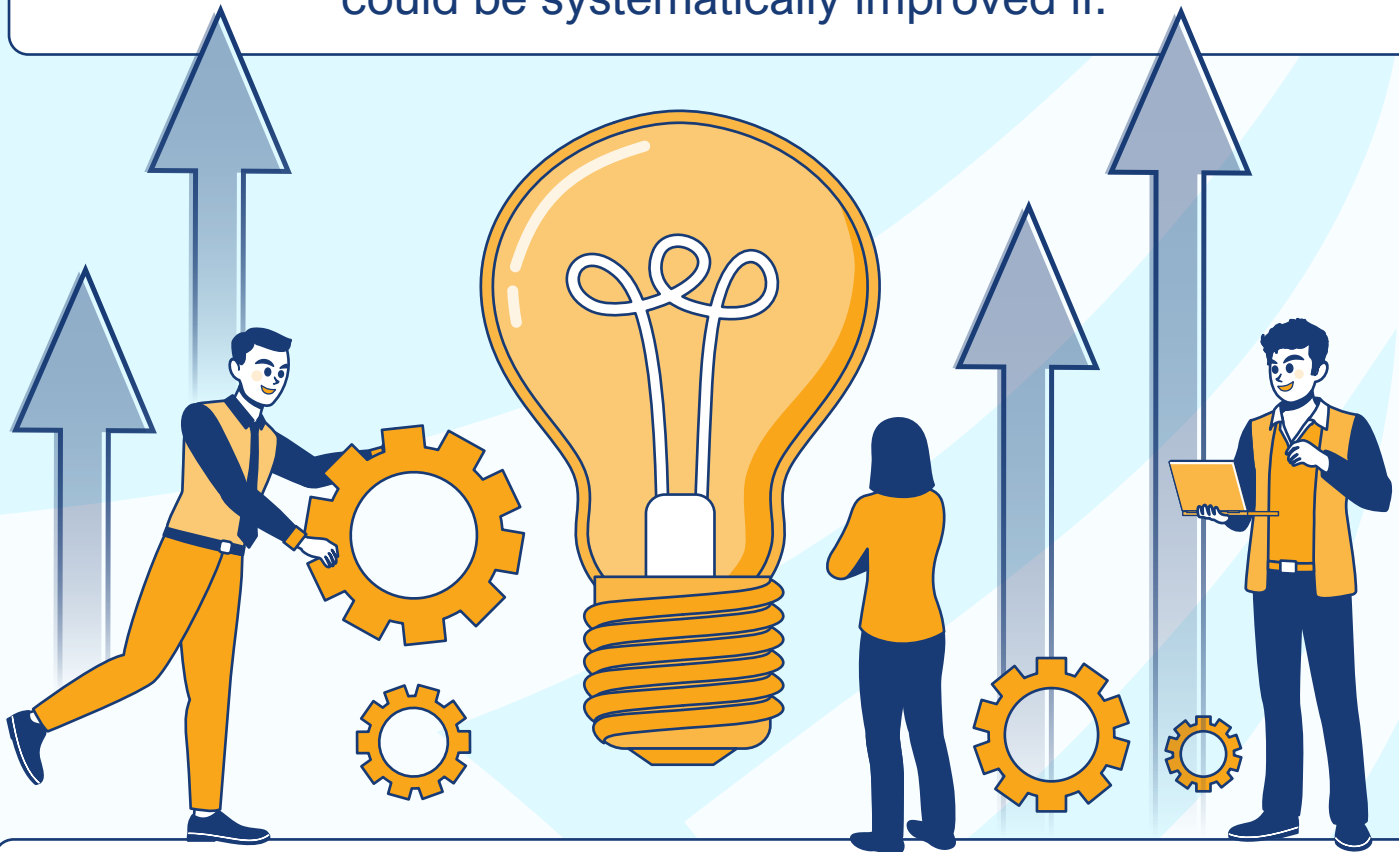

PERFORMANCE AUDIT REPORT

„ENERGY EFFICIENCY IN THE INSTITUTIONS OF BOSNIA AND HERZEGOVINA“

WHAT COULD BE CHANGED?

Energy consumption management in the Institutions of BiH could be systematically improved if:

The Ministry of Foreign Trade and Economic Relations of BiH:

- Ensured the staffing capacity necessary to manage and maintain the Energy Efficiency Information System.
- Provided accurate records of energy consumption in the buildings used by the institutions of BiH.
- Ensured coordination among institutions in improving energy efficiency.
- Reported on a regular basis to the Council of Ministers and the public on the results of the energy management system.

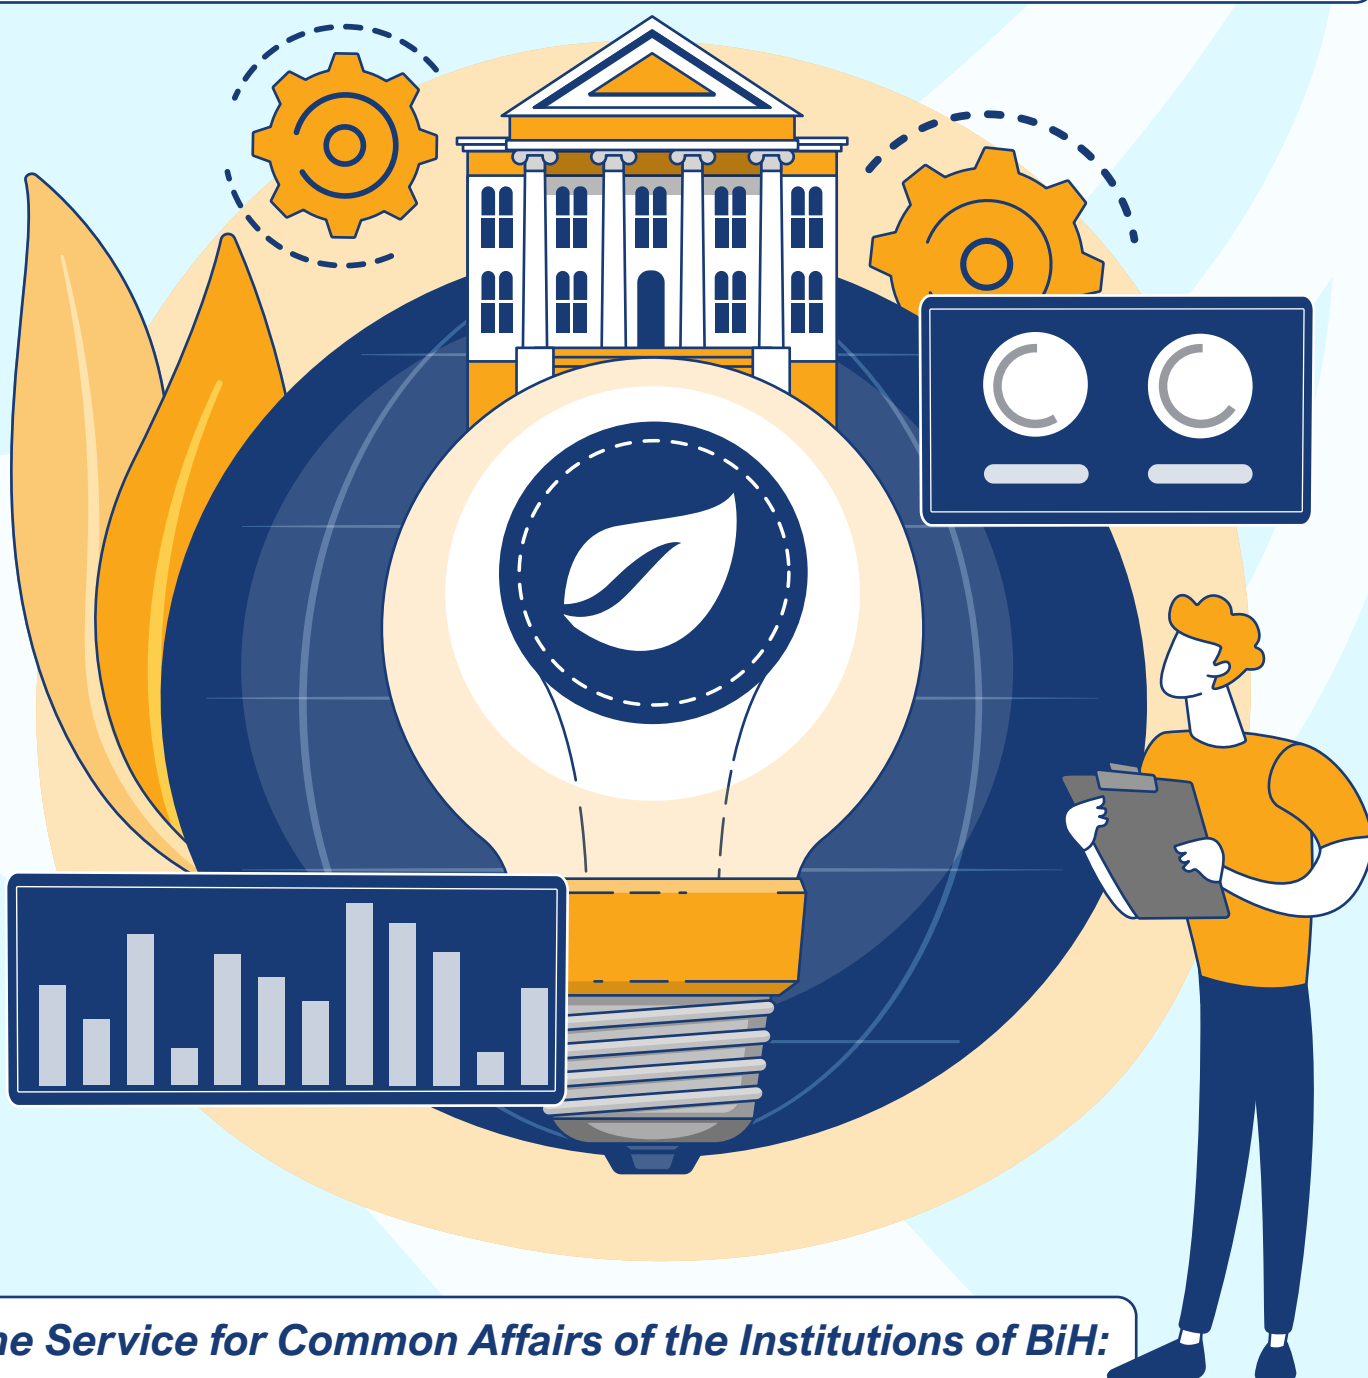

PERFORMANCE AUDIT REPORT

„ENERGY EFFICIENCY IN THE INSTITUTIONS OF BOSNIA AND HERZEGOVINA“

WHAT COULD BE CHANGED?

Energy consumption management in the Institutions of BiH could be systematically improved if:

The Service for Common Affairs of the Institutions of BiH:

- Monitored and verified savings achieved after implementing energy efficiency measures in buildings under its energy management.
